## ATTENTION! COMING THIS FRIDAY

On December 7th at 5PM the doors open to our Annual Winter Faire held at the Bolinas Community Center. The Faire continues on Saturday and Sunday beginning at 11AM and going to 6PM. There will be Thai food served from the kitchen all three days. The Hall will be filled with innovative hand crafted items made by our local creative craftsmen and women. I find that a handmade gift is more meaningful to the recipient than a factory made item. So please check the Faire first, before shopping over-the-hill, and save yourself time, energy, gas, frustration and stress.

Magi and I will have the same booth spot that we have had for about 30 years. We will have our best selling *Wild Bolinas Blackberry Vinegar* (Magi picked each and every luscious blackberry for this). The vinegar is good as a dressing for salads, cooked green veggies and marinade for meats. Dale Johnson takes a tablespoon of the vinegar followed by a half a glass of water every day as a tonic, and has for years, as well as using on other foods. One of our vinegar's four ingredients is Braggs organic apple cider vinegar.

Magi has sewn and filled some handsome lavender pillows in many sizes. Herbalists tell us that lavender is a nervine that enhances sleep and encourages relaxation. Try one on your night pillow.

Our traditional offering of catnip pillows (which I stuffed) is for the delight of one's cat, and they come in many colorful and cute fabrics. Make your kitty ecstatic and slap happy and watch their antics with one of these pillows!

We will also be making and selling our popular Christmas cookies made from a recipe from Barbara Pace. For many years we were the recipients of her delicious cookies, until I finally got the courage to ask her for the recipe, which she most graciously gave to me.

Conviviality, camaraderie, re-union, along with Caroling at 7PM with pianist Jennifer Meyer, will all be part of the Friday night festivities at the Winter Faire. So come on down and join in the fun, and support your local craftspersons.

Getting Crafty at the Skate Park, a Day of Expression: Community Poem. Poem stitching and drawing by Kate Zwigard

Poetry flows on the picnic tables where friends gather, trees overhead.  
 Asking questions,  
 Drawing hummingbirds,  
 Expression manifests itself in infinite dimensions.  
 We, wheels,  
 Rolling, flowing,  
 Ridgeline readings.  
 Clay,  
 drawing,  
 play,  
 friendship,  
 love,

fun!  
 Bending time outside the lines.  
 Today I felt peaceful.  
 Through skating and drawing,  
 Felt like a kid again.  
 I like to ride dirt bikes and hang out with friends.  
 I like trees.  
 Expression through dialogue no longer only by monologue.  
 I think I did not express myself.  
 Patience.  
 I expressed myself by teaching others a skill I love.  
 I feel love is the key.  
 Love is the key to life.

Step into the unknown, explore a new life.

## FRIDAY FILM REVIEW

### Overlord (2018)

Wyatt Russell  
 Jovan Adepo  
 Mathilde Ollivier  
 John Magero  
 Pilou Asbaek

In this video game like film, the son of longtime Hollywood couple Kurt Russell and Goldie Hawn, stars as commanding officer of a small group of American soldiers sent to destroy a tower in Germany in the eve of D Day, and underground, the discover experiments unleashing great horrors. Again the film is not serious but it does have a dramatic edge and in these times, it's important to have an escape from reality. This is Wyatt Russell's first headlining film, but he has acted along side his dad in a few films. Also being the little brother of Kate and Oliver Hudson, acting is clearly in his bloodline.

The squawking Leaders dwindle.  
Left behind. Abandoned.  
Rejected prophets  
Are no longer standing  
In the light, blocking the Way.

Imprisoned in Smoldering Daydreams  
Encapsulated in escape  
Divorced and devoid  
Failed doom merchants  
Forever howling, never heard.

All the heavy lenders have vanished  
They were never here anyway  
Colorless, ugly castaways  
How long did we listen and cringe?  
Laughing, now laughing and laughing again!

Thought crosses space and minds converge  
Earth is Free of obnoxious authority  
Hands grasp hands  
Gifts flow freely through open space  
No lust for deceptive, illusory haunted gold.

Looking across the World I see you!  
Smoke and mirrors dissolve  
Bullshit ceases  
Clear space between us  
No language breaks the Sacred Trust.
