Roger Peter Kovach 1928 - 2020

Roger Peter Kovach, passed peacefully from this life at 4 AM on January 28th 2020. A native of New York City, Roger was born on Christmas eve 1928. Roger attended the University of Chicago at the age of 16 on a full math scholarship. While at the University of Chicago, Roger got involved in the University theater.

After college, Roger moved to San Francisco. While working at Mt Zion Hospital, he met his wife Barbara. Roger was one of the earliest computer scientists of the 20th century, working on computers that filled entire buildings. He automated the Oakland Naval Shipyard’s Fleet Material Supply Office warehouse and conveyor belt systems back in 1959. From there, he managed the University of California’s computer systems for the entire state from 1968 to 1976. A great teacher in the field of applying advanced mathematics to mainframe system performance tuning, he was much sought after lecturer, teaching computing to other experts the world over. After spending many summers in Bolinas, Roger, moved to here full time in the Spring of 1970.

Roger was instrumental to many things in West Marin during his fifty years of living in Bolinas. Establishing bus service for Tam High students in the 1970s, getting the the West Marin Stage Coach started, board member of West Marin Senior Services, President of the Whitecaps, helping Bolinas seniors learn how to use computers, participating in the Third Age group and helping friends and neighbors—ever there was a need are but a few of the things that come to mind. The number and names of those Roger helped over the years are impossible to gauge. Roger was also nominated for Marin County Man of the year.

Roger is preceded in death by his beloved wife Barbara. He is survived by his son Alexander, daughter in law Dorothy, his sister, Joanne and nieces Jewel and Ruby. Roger was a friend to all. No matter how difficult his personal life was, he always kept a smile on his face, and never complained about his burdens, which were many. Above all, Roger was generous with his time and energy. Whenever anybody as in need for even the smallest thing, he outstretched a helpful hand. There are no words, for how much we will all miss him.
