Reminder:

Arianne Dar, the Executive Director of the Bolinas Community Land Trust will be at the Commons on Tuesday evening, February 12 from 6:30 pm – 7:30 pm to answer any questions you may have in regard to the BCLT. She will help to clarify and educate people both about what the BCLT is doing and how it fits into the Bolinas plan, as well as all the regulations that govern residential housing in Bolinas and in particular the "creation of affordable homes".

We hope to see you there!

Friday 12 - 5 PM • Roadside In Our Field

Two foxes recently have been hit and killed by cars/trucks on Grove and on paved Alder. This is most likely due to speeding, distraction or drunkenness. Please slow down, straighten out and look out for children, elders, pets and yes; wildlife. At all ALL hours. Some elders walk late as well as kids and returning pets. The foxes are our local rat hunters. They hunt our roof rats too! So your carefulness will help us all and our homes. Please share this concern with your friends, visitors, family and workers who may not read this paper.

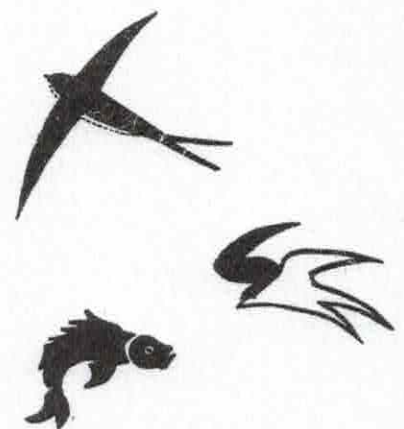

Don't even get me started on how many of our pets and neighbor pets have been hit by cars on the mesa

Thank You to Jane and the Library Staff!

For the Josh Churchman book signing and talk of his book "The Whale That Lit The World" last Tuesday February 5th. Josh's lifelong relationship with the ocean as a fisherman gave us many stories, insight and wisdom of a part of the World we live on the edge of, and yet know only a little. The evening was a special Bolinas gathering of our community with warmth, appreciation and sharing of Josh's creativity, and his contribution of both fish and fish wisdom. The book may be purchased at La Serena, Bolinas Market, and the Library has a copy for checking out. We highly recommend reading this book.

If you see an ad with a 4 digit number at the end like -0921 that's Bolinas short hand for 868- (it used to be that all Bolinas and Stinson numbers were 868). Now days of course you also have to add 415, and that pesky 1. We also have cell now making things even more complex.
