Editors,

The event in the Peace Barn on Sunday was not a fundraiser. It was a party to thank the volunteers and supporters for all their hard work on the campaign and a chance to thank Hillary in person for all the sacrifices she has made as a public servant. By all accounts, both missions were accomplished.

Mark Buell

Hearsay Guilty of Spreading Fake News

The Pacific Sun published fake news about a party at Mark and Susie's home, and Last Wednesday's editor of the Hearsay News reprinted the story without checking with the Buells, or anyone else. This is against Hearsay policy, and I, as a member of the staff, regret the error in judgment. All of us at the Hearsay believe in individual responsibility for submissions. We do not publish unsigned articles, require that sources acknowledge themselves, and we abhor twisted truth, lies and fake news. Because our voice is the sound of all contributors speaking together, the tone changes with each edition. Gossip strikes a sour note and promotes misunderstanding.

Workshops in Conflict Resolution in Spanish and English

The Community Mediation Board has been active in West Marin for the past 18 years, helping people resolve their conflicts in a peaceful way. The Board is now starting new bilingual programs to bring conflict resolution skills to the general public. There will be workshops on listening skills at the Point Reyes Station library on Thursday, April 20 and Wednesday, April 26th. Dinner will be served at 5:30 and the workshop on active listening will be from 6 to 8. The workshops are free.

The theme will be teaching listening skills to use when handling disputes with family, friends and neighbors. Active listening is a skill that insures that everyone's point of view is heard; when people feel really heard and understood, conflicts can often be resolved.

Space is limited at these meetings. Please call 415-237-5000 before April 18th and leave your name and phone number. Child care will not be available.

PHIL TAKES PHOTOS

Interview by Steve Heilig

Phil Buchanan, longtime local who staffed the BCPUD for many years and now works at Commonweal, is a longtime photographer. His work is striking, with a focus on landscapes and natural beauty. He's having a show of his work at the Bolinas Gallery for April, with the opening this Saturday afternoon

He notes "On Saturday, April 8, there'll be a reception from 3 to 5 pm, offering an opportunity to schmooze, have a glass of wine, and nibble on some awesome *hors d'oeuvres* from the kitchen of ace chef Breanna Brown." So get on down and check out his fine work while mooching off his fine hospitality!

How did you first get seriously into photography?

I'm not sure I ever did. I do it for kicks - the elusive moments when everything feels right: the pulse quickens, the senses go on high alert, the adrenalin starts pumping - that's what keeps me at it.

Have you taken any formal training, or are you wholly self-taught?

No formal training. I like to learn by doing but I always appreciate it when I can pick up tricks from other people, be it a photographic technique or a better way to look at things.

Do you consciously shoot with any sort of general "theme" in mind, or just photograph whatever most strikes you as worthy?

Pretty much that second thing you said. Unthemely, I know.

What are your most favored places to photograph?

Lonely places and crowded places.

Do you have any favorite photographers?

Sure, lots. Just don't ask me their names.

Have you ever hurt or endangered yourself while shooting?

I've scared myself a couple of times but luckily nothing bad has ever happened. Sometimes I really want to get that shot and I take a calculated risk to get it, but I'm usually pretty cautious.

During the sunny month of April, I'll be showing some of my landscape photographs at the Bolinas Gallery, 52 Wharf Rd, every Saturday and Sunday from 1 to 5 pm, beginning on the 1st and running through the 30th. Come on by, say "Hi" and have a look. - Phil Buchanan

'TALES OF A SEXUAL TOMBOY' – awarded "Best of the Fringe" at the 2016 San Francisco International Fringe Festival - is a bold one woman comedy written and performed by Joyful Raven, directed by Jael Weisman - former director of the Dell' Arte Players Co. and the San Francisco Mime Troupe.

A raucous one-woman comedy about a horny tomboy, equipped with bad boundaries from her hippie upbringing, looking for empowerment in all the wrong places. Blending standup and storytelling Raven recounts some of the more hilarious and misguided moments from her treacherous path towards sexual liberation. Let's just say the generation after the sexual revolution is a little bit confused! Her uproarious stories highlight the blatant veins of misogyny that lurk in our culture and sex lives. With unflinching honesty, Raven delivers 60 minutes of dark comedy with deep heart. "It's one of the funniest shows now on display on Bay Area stages." – SF Chronicle.

"Raven is a talented and truthful performer... Using skillful impersonations and amazing physical comedy... she connects the stories from her life right before our eyes and comes out stronger on the other side." – Theater is Easy NYC

"Tales of a Sexual Tomboy is powerful, sexy, liberating" – The Union, Nevada County

Hope to see you all there. -Omar Rifkin

OLLI - The Gods are Us: Classical Greek Myth & Story

- Friday, March 31, 1:30 PM to 3:15 PM
- Friday, April 7, 1:30 PM
- Friday, April 21, 1:30 PM
- Friday, May 5, 1:30 PM
- Friday, May 12, 1:30 AM
- Friday, May 19, 1:30 PM

Our Ancestors write the myths and stories that shape how we see the world. In the European tradition, most of the allegories for our our minds and hearts were given to us by the Greeks. Let us remember the myths of Zues, Athena, Aphrodite, Aplollo, Hades Demeter, the tales of Homer and Ovid. We will consider the uses of myth in art, and follow it into the dark burrows of our subconscious. Monsters, stupid gods, ravishing women, ravished men, lustful rivers, and impossibilities that could not be more true. Instructor: Douglas Kenning, PhD Fridays, March 31-May 12, 2017 (no class April 28) Osher Lifelong Learning Institute OLLI is an academic program of Dominican founded in 2004 and supported by a generous endowment from the Bernard Osher Foundation, the generosity of the university, and member donations and tuition. The program offers four, six and eight-week, challenging, non-credit liberal arts courses for adults over 50 as well as workshops and clubs. <http://www.dominican.edu/academics/osher>

Minutes from the February 27, 2017,
Bolinas Fire Protection District Board
Meeting

Pres. Bass called the regular meeting of the Bolinas Fire Protection District to order at 7:00PM. Vice Pres. Chiera, Dir. Kimball, Dir. Gade and Dir. Shaw were present. Also present: Chief Brown and Admin Asst. Cadance Lynam.

MSC Kimball/Chiera (unan.) to approve the agenda with a modification made by Chief Brown to realign the agenda as follows due to a request from Jennifer Blackman, Manager, BCPUD, regarding last minute addition to speak about coordinated efforts to identify Bolinas as a "high impact area for broadband availability."

Action Item #1 Review of Draft Financial Statements FY 15-16.

Action Item #2 Coordinate Efforts to Designate Bolinas as a High Impact Area for Broadband Availability.

Action Item #3 Coordinate efforts with Local Agencies to Request CalTrans Repair to Hwy 1 Flooding near Audubon Canyon Ranch.

Action Item #4, District Committee's Scoping Study Results. Board of Director's will review and prioritize them for further study.

CHIEF'S REPORT

MERA

Chief Brown attended the Governing Board meeting held on February 22. The main topics discussed were the Proposed Long-Term Next Gen Project Budget, the Retirement of 2007 Project Note and the Proposed Radio Communications System Contract with Motorola. A draft proposed budget for the Gen II system was passed out at the meeting. The draft budget is \$69.5 million with a 15% contingency. Over the term of Measure A, proceeds are anticipated to be \$72 million. Dave Jeffries and Maureen Cassingham will be regularly updating the budget in order to get the most benefit for member agencies.

Discussion was had regarding the retirement of the 2007 Project Note. There are no longer any projects for the current system to spend the funds that were transferred to the 2010 Bonds Project Fund. MERA can file a Notice of Completion to close the 2010 Bonds Project Fund and transfer the \$2.06M to the 2010 Bonds Revenue Fund to pay debt service on the 2010 Bonds. Once the debt service is paid, any excess funds can be transferred to the Surplus Fund and can then be remitted to MERA. It was decided to set aside the surplus funds for potential Gen II project use rather than refunding monies to members. This issue will be revisited in the near future. The proposed contract with Motorola was discussed. Proposals for the Gen II system were solicited with Motorola being the only vendor to submit a proposal. For the past six months, MERA reps and Motorola met to refine multiple points including station alerting and volunteer paging. The new system is anticipated to utilize twelve communications sites, five of which will be new. MERA will receive a \$500,000 discount if we accept delivery of the radio equipment by the end of 2017. Chief Brown raised the concern that if we receive them too early, they could potentially be "obsolete" before the system comes online as happened with Gen I. Dave Jeffries said that issue had been discussed, but that Gen II is anticipated to be online by Spring 2018 so the radios should be fine. The issue can be revisited as this year's timeline plays out. The Motorola contract is for \$34.3M.

Prevention

None.

Roads

No Update.

370 Overlook - Remodel, addition of 2nd unit
12 Olema-Bolinas Road - 2nd Unit
105 Wharf Road - Second Unit

Grants

No update.

Training

Trainings continue every Thursday night as planned. Assistant Chief Marcotte has also posted multiple trainings on Target Solutions including a class on HIPAA Requirements, Marin County 911 Referral Program, and Human Trafficking. As the weather starts to warm up, the focus will begin to shift to trail and beach rescues as well as wild land fire training. In order to maintain our CPR Instructor certification, instructors must be monitored teaching a class once every two years. Chief Brown attended a class in Inverness on February 26th to monitor their instructor and will also attend a class in Tomales Tuesday evening in order to be monitored. The BFPD teaches approximately ten classes a year.

Volunteers

No update.

Apparatus

E283 was outfitted with six new tires for a cost of \$2,998. Thanks to Firefighter Walker for researching and finding a reduced price for the tires and installation.

Disaster Council

We still haven't recovered our Disaster Council display which was removed from the Post Office. We will likely recreate the display but may try to place it in a more secure place this summer. We've been working with Ian Johnson on redefining the technology needs for our Departmental Operations Center, including telephones and radios. Chief Brown and Cadance Lynam have implemented many of the suggestions made at the last DOC drill held in December of last year. We anticipate being able to hold the next smaller scale drill in April.

We made it through the last series of storm events with only a few calls for flooding and trees down as well as road closures. Chief Brown participated in several conference calls with Marin County Emergency Managers held by County OES. These calls are an opportunity to receive up to the minute information from the National Weather Service as well as hear about activities in other jurisdictions and express any needs we may have. Chief Brown and Cadance inspected the Disaster Council storage container and found that it is in good shape with no signs of leaks or mold. Chief Brown attended the West Marin Disaster Council meeting held in Pt. Reyes on February 23rd. MC OES is hoping to hold a tsunami drill in one of the coastal areas in March. Muir Beach held the drill last year, so Chief Brown is speaking with OES about holding the drill in Bolinas this year.

Resource Recovery

A representative with Marin County Storm Water Regulation inspected the RRP site and has found a few problems with space requirements and setbacks. MC Environmental Health will be conducting inspections, usually on a quarterly basis, and will forward any noted concerns to the Storm Water Department. Chief Brown will be attending a meeting of the Resource Recovery Project on the afternoon of February 27th.

Building and Grounds

No update.

General Operations/Administration

The Finance Committee will be meeting with Mark Pressman, Wulff, Hansen, to review the District COP Refinancing transaction. Mark will also be reviewing with us the District's obligations related to the 2017 COP's. Chief Brown attended a meeting with Sup. Rodoni and representatives from all West Marin fire departments and law

enforcement on January 26th. Sup. Rodoni had requested a meeting to discuss emergency preparedness in West Marin on

holiday and peak weekends. PRNS and GGNRA were also present. The meeting was an opportunity for each agency to review the problems facing their areas and brainstorm opportunities for solutions using current resources available and identifying new resources. Chief Brown spoke about the increase in visitation to Bolinas negatively impacting parking and access as well as precipitating the need to increase staffing while our community base is shrinking. We need to identify how to capture visitor funds to pay for the impacts to our community including potential additional staffing for the fire department. Chief Brown also mentioned the need to increase the cost of illegal parking fines and the need for additional parking and traffic enforcement. CHP was not present at the meeting but Lt Pittman and Capt. Augustus were there representing the MCSO. They talked about the extra patrol unit and parking enforcement officer that is provided during summer months on weekends but did not indicate any additional staffing availability. It was mentioned that CHP is responsible for traffic and parking enforcement. Sup. Rodoni will research several considerations and will request another meeting with the group in May. Chief Brown attended the Community Life and Tourism Forum on the evening of February 23rd held at the Dance Palace in Pt. Reyes. The forum was put together by the Pt. Reyes Village Assoc. in conjunction with representatives from other communities including Bolinas. The panel of speakers included Sen. Mike McGuire, Sup. Rodoni, Nancy Cave, Coastal Commission, John Dell'Osso, PRNSS Bijan Sartipi, CalTrans, Capt. Augustus, MCSO and Commander Mota, CHP. Sen. McGuire moderated the forum with discussion focused on parking traffic and congestion and waste problems. It was extremely well attended with many of the issues we are aware of being raised. All the questions people brought up were answered. No solutions were offered but a working group consisting of a representative from each town will be formed to work with the speakers to identify problems and work on solutions.

Surfers' Overlook Repair/Terrace Avenue

Ralph Camiccia and Remick Hart attended a Bolinas Community Center meeting to give the Board an update on the Surfer's Overlook Project. They explained our next steps in conducting a "scoping study" on moving forward with Phase II of the project. The monies that are currently in the Surfers Overlook fund will initially be used to explore what and who it will take to forward Phase II. Remick asked the BCC to keep the fund open for an indefinite amount of time while Phase II is explored. Ralph and Remick informed the Board members that they would receive timely updates on our progress every few months and we could revisit the issue on an annual basis. The BCC suggested moving the funds to an account that may yield more interest. Any discussion on the funds will be brought to the Surfers Overlook Committee. The Board told Remick and Ralph that they needed time to discuss the issue.

Personnel

No Update.

GENERAL BUSINESS

Action Item #1- Review of Draft Financial Statements FY 15-16. Lisa Doran presented the audited financial statements and described several sections in detail. It was noted that District revenues decreased by 0.03%, while expenditures decreased by 0.19%. After more discussion between Lisa Doran and the Board, the Draft Financial Statements FY15-16 were accepted. MSC Kimball / Chiera (unan.) to accept financial statements and approve Action Item #1

HELP WANTED

STAR ROUTE FARMS IS LOOKING FOR HELP

at our Friday roadside stand and the farmers market.
Please call 415 868 1658 and ask for Annabelle

SRF 3-31

868hearsay@gmail.com

Submit articles, ads and drawings by midnight
Sunday, Tuesday or Thursday for publication
the next day.

Or get info on how to read online or subscribe online
or request a link to the password-protected website.

Read the Hearsay Online

For 33¢ per day, more or less. Give
yourself, a friend, or an expatriate
member of your extended family
the gift of local news three times per week,
delivered electronically. Stay home. Save trees.
Isolate.

How to contribute to the Hearsay News in person

Come to the office at 270 Elm at Maple, behind
the BPUD office on Mondays, Wednesdays and
Fridays between 9:30 & 10:30 am to have your
article appear the same day, and until 11:00 am for
classified ads.

Ad forms are also available anytime in the small
mailbox next to the Hearsay door. You can fill out
the form and have your ad billed to you, or you can
enclose payment (please note on your ad if you are
paying cash in case they become separated) & drop
into door slot.
