**PART TWO OF THE
2017 ANNUAL BROOM PULL**

**SUNDAY APRIL 23, 2017
10:00 AM TO 1:00 PM**

ON THE KNOLL ON THE BCPUD LAND.
TOOLS AND REFRESHMENTS PROVIDED!

We pulled lots of broom in February but... we know that

- taking out weeds makes room for the native oaks to grow
- this wonderfully rainy winter makes the work easier
- more hands makes the work go faster

So please join us as we work to enhance the nascent oak woodland.
Bring your gloves, hat, and sun protection.

More info? Write to genie_mcaughton@yahoo.com

The Art and Garden of Food

The Bolinas Community Center's Spring Fundraiser, happening Friday April 28th and Saturday April 29th is looking for **VOLUNTEERS** to help set-up and break-down for both Fri & Sat, BBQ oysters, serve food, make espressos, do security and help at kid zone!

PLEASE contact Lia at (415)8682128 or email lia@bocenter.org if you can help for a few hours. It takes a village!

The First Annual Broom Pull, Phase 2

This has been quite a year for Scotch, French and Spanish broom. I was hiking up and down Cascade Canyon in Fairfax two weekends ago and practically all I could see on the shadier side of the trail was broom. Thankfully, the situation is not yet that extreme on the BCPUD land below the Wastewater Treatment (aka "Sewer") Ponds.

Last February an enthusiastic group of broom pullers took out many of the small seedlings on "the knoll", the area on the first rise of the paved path that the Land Stewardship Committee recommend to the BCPUD be phase one of a project to enhance oak woodland on the land. We also removed the entire line of broom plants along the fenced farmed area across from the knoll.

Given this year of unending rain, broom growth has been quite, shall we say, exuberant. Taking advantage of the moist soils, we will continue the work this coming Sunday, April 23, from 9:00 am to 1:00 pm. We offer refreshments to keep volunteer energy up while using the legendary broom pulling tools to outwit the wily broom.

Dear friends and strangers too:

Frank Ostaseski is one of the most respected of teachers on "impermanence." He co-founded the renowned Zen Hospice Project and Metta Institute, and teaches around the world. He worked on his first book for many years and here it is, and he'll be at the intimate Commonweal library next Wednesday at 3pm.

Frank's a dear friend and mentor and we'll have fun.

We expect a crowd but wanted to be sure you knew you can join us; if you can't, it will be videoed for later viewing at tns.commonweal.org

BUILDING FOR LIFE

License #946778 - fully insured and bonded

MSC - Chiera / Gade (unan.) to not have a fire department representative on the BCPUD Vehicle Habitation Committee.

Action Item #2- Change Date of April 24th Meeting to April 17th.

Due to the inability of Dir. Kimball and Chief Brown to attend the regularly scheduled meeting on April 24th, it was suggested to change the meeting date to April 17th. The Board was in agreement. MSC- Shaw/ Kimball (unan.) to change the date of the regularly scheduled meeting for the month of April from the 24th to the 17th.

Action Item #3- Marin Local Agency Formation Commission Election of a Regular Special District Member.

Discussion was had regarding the request from LAFCO to participate in the upcoming Regular Special District Member election. Due to the unfamiliarity of the candidates to any of the Board members, it was decided to refrain from casting a vote. MSC- Kimball/Shaw (unan.) to abstain from voting for a candidate for the LAFCO election of a Regular Special District Member.

CONSENT CALENDAR

MSC-Chiera/Kimball (unan.) to approve the Minutes from the February 27th Regular Meeting and approval of the warrant lists from February 22nd to March 21st 2017. MSC- Kimball/ Chiera (unan.) to approve the financial reports for January 2017, and the account balances.

PUBLIC EXPRESSION

None.

BOARD MEMBER REPORT

Board Member Successor Planning- Dir. Shaw spoke to her concern regarding the replacement of Board members who will be leaving their seats in the next several years. She noted that, although it's required to keep the Board at only five members, it could be beneficial to the district to work to get deeper involvement from community members in district business.

While Board members agreed this was a good idea and will need to be done, they felt it was a bit premature as the district has just begun undertaking a Scoping and Planning process in order to identify the issues facing the district in the next two to five years. It will be determined how to address the issues and if current resources are adequate or if new resources, whether they be financial or personnel, will need to be identified. We will need to reach out to the community at some point in the future. Board members also agreed that each Board member should be thinking about their potential successor when their term has expired.

Dir. Shaw said she is willing to revisit this issue further on in the future.

COMMITTEE REPORTS

Updates from Finance and Budget, Personnel, Building and Grounds and Operations Working Group

The Finance and Budget Committee has met several times and is currently focusing on the financial impacts of engine replacement. Per the district's vehicle replacement schedule, which estimates engines will need to be replaced after 20 years; E283 is scheduled to be replaced this year. Since E283 is in good operating condition, the Operations Working Group is set to discuss whether or not the engine needs to be replaced and if so, what piece of equipment would best suit the needs of the department and community. The Finance and Budget Committee will be working with several financial scenarios based on recommendations from the Ops Working Group. Other items being discussed and modeled are changes in staffing levels.

The Personnel Committee focused on planning for the replacement of the Fire Chief's position. Discussion is centered on the ability to promote from within the department or the potential need to advertise the position and hire someone from outside of the area. There is a concern about a new hire to the area being able to secure housing in Bolinas. Either way, the goal of the Personnel Committee is to find the best candidate for the position, Discussion will also be had regarding the potential for increasing staffing levels and adjusting the Duty Officer position if needed to keep it staffed.

The Building and Grounds Committee talked about long term maintenance for the facilities including the clinic building. They tasked Chief Brown with

contacting several contractors to ask for an inspection of both buildings to determine the current state of the facilities, the estimated timeline for needed maintenance such as roofing and paint as well as estimated costs. Chief Brown is awaiting responses. Also being is the Building Maintenance Reserve fund and whether or not the funds being put into reserve each year is sufficient. The answer will be clearer once we receive responses from the contractors. The Operations Working Group met on March 16th, nine people were in attendance. Chief Brown gave a brief overview on why the group was formed and what items the group will be considering including engine replacement, Officer Development, volunteer recruiting and retention and increased staffing needs. The first meeting focused mainly on engine replacement. The group unanimously agreed that E283 does not currently need to be replaced and can be delayed for approximately three years, provided it continues in good operating order. In depth discussion was had on the operational needs of the department and the community. The idea of maintaining three engines or replacing a Type I and the Type III with one combination engine was put forth. More research and discussion is needed. The next meeting will be scheduled in about a month.

PERSONNEL MATTERS

None.

ANNOUNCEMENT

None.

GOOD OF THE ORDER

Dir. Kimball thanked the Board for working together on the scoping and planning for the future and thanked Chief Brown for keeping things moving along.

ADJOURNMENT

MSC, Kimball/ Gade (unan.) to adjourn the meeting at 8:15 PM.

Respectfully submitted,

Cadance Lynam
Admin Assistant

Note: Minutes of all Board meetings are available for review at the Bolinas Library or the city's website www.bolinasfire.org.
