He died peacefully in his sleep after a long journey with Parkinson's Disease. My family and I will be sitting a "relaxed" Shiva, which is a Jewish form of mourning and remembering the dead person. **Beautiful Boy (2018)**

Steve Carell  
Timothee Chalamet  
Maura Tierney  
Timothy Hutton

Timothee Chalamet of *Lady Bird* and *Call Me By Your Name* has done another star worthy performance as 18 year old Nic Sheff, a young man with incredible talent as an artist, a writer and offers of admittance to several colleges. The strong bond he has with his father David (Steve Carell) is tested as Nic faces a battle with drugs, threatening everything and everyone he holds most dear.

This is not what I would call a feel good film, but it is raw and about a real family with real struggles, relatable. Timothee Chalamet won the Golden Globe for best supporting actor, as well as the Bafta, Screen Actors Guild and the Critics Choice Awards, with an Oscar nomination. Not a bad resume for a young man of only 23. I should add that this film is based on real people. Both David and Nic wrote books that the film was based on.

**BSUSD PRINCIPAL'S MESSAGE**

**WEDNESDAY, MAY 15, 2019**

Dear Bolinas-Stinson School Families and Community,

**WELCOME SARA LIEBER - OUR NEW 5TH & 6TH GRADE TEACHER!**

Sara is our new teacher who will be team teaching with Willow Regnery in the 5th & 6th grade. Sara has an amazing background in designing garden curriculum, implementing nature projects, and teaching hands-on lessons to students through gardening. Sara worked as a garden manager and educator at Love Apple Farms in Santa Cruz, a small-scale biodynamic farm that also served as a nature classroom. Sara oversaw the production of 300+ varieties of fruits, vegetables, herbs, and edible flowers; and led workshops in growing, composting, propagating, cheese making, and other homesteading subjects.

Sara later worked in garden and nutrition education for Sierra Harvest, a non-profit food access organization in Nevada City, CA. She focused on nutrition education by bringing cooking and gardening lessons into K-6 classrooms and teaching students on the educational farm. Merging her passion for teaching and gardening inspired Sara to get her teaching certification. Sara is thrilled to be a part of the Bolinas-Stinson School community and is already getting to know students and staff. She is looking forward to digging deeper into all the academic subjects and incorporating hands-on gardening and nature projects into the curriculum as much as possible. Let us know if you would like to volunteer to help Sara get our garden in shape - she would appreciate extra hands!

**SITE-SPECIFIC NATURAL HISTORY ART INSTALLATION FOR BOLINAS-STINSON SCHOOL**

Don Jolley is working with staff and our 7th & 8th graders to create a one of a kind Bolinas-Stinson art installation in front of the main office. Don and the kids are using the gray whale bones which have been laying behind the middle school waiting for their moment to shine! Thanks to Don, staff, and our middle schoolers, these bones will be reassembled to create a one of a kind articulated whale bone sculpture in front of our school that will weather naturally over time.

**SAVE THE SWEET TREATS FOR HOME PLEASE**  
Parents please remind your child not to bring candy or soda to school. I notice that students are sharing and consuming these sweet treats during snack and lunch rather than eating other healthy items in their lunch. We try to provide our students with healthy, organic, and tasty choices in our school lunch program. Thank you for your help.

**REMINDER TO KEEP PHONES IN BACKPACKS**  
School policy requires students keep their phones turned off and in their backpacks during school hours. Please

remind your child that their phones will be confiscated if we see them in pockets or out during the school day. A parent recently shared this TED Talk with me regarding the impact that parents can have on their child's self image and how they interact with social media. We have all heard about the dangers of social media on developing young minds and links to anxiety, depression, and much more. This talk gives hope to parents and raises some important questions we should be addressing as a school community. This topic is so important, our school will be hosting information nights, screenings, and a venue for discourse for parents and community members on this topic. Please take a minute to watch this compelling video: [Can flip phones end our social media addiction?](#) by Collin Kartchner, from the TEDx Salt Lake City Series.

**ART SHOW, FRIDAY, MAY 24TH, BOLINAS CAMPUS 5:30-7:30 PM**

I hope you can join us for the 47th annual Bolinas-Stinson Art Show! This special event will be held Friday, May 24th, from 5:30-7:30 PM on the Bolinas Campus in the Quesada. This is an opportunity for our students to

showcase their amazing art work and to appreciate the hard work and dedication of our outstanding art shop specialists. Cob oven pizza will be served at 5:30 PM and the Quesada will open at 6:00 PM.

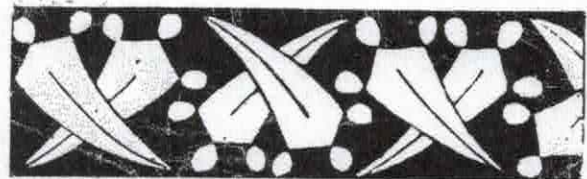

**THE GRAND FINALE! - DON JOLLEY RETIREMENT CELEBRATION & APPRECIATION, THURSDAY, MAY 30TH, 5:30-7:30 PM**

Help us celebrate and acknowledge our intrepid middle school teacher of 31 years, who will be exploring the uncharted waters of retirement! This special event is a time for students, parents, staff, and community members, past and present, to come together to appreciate Don's many contributions throughout the years.

Come share good memories and food at the Potluck BBQ! Bring a story and dish to share. If your last name begins with:

- A, B, or C...bring an appetizer
  - D, E, or F...bring a salad
  - G, H, or I...bring a side dish
  - J, K, or L...bring a dessert
  - M, N, or O...bring something for the grill
  - P, Q, or R...bring something for the grill
  - S, T, or U...bring a side dish
  - V, W, X, Y or Z...bring a salad
- A-Z come help us honor Don's years of instruction, innovation, investigation & inspiration (and that is just the letter "I"). Please let Kara or Johanna know you are coming and how many in your family will be attending.

Warmly,  
Michelle Stephens

Firehouse Community Park Agency  
 Mesa Park Board Meeting Minutes  
 April 15, 2019 7 PM  
 Bolinas Firehouse Community Room  
 Contact: mesaparkboard@gmail.com

Call to Order: 7:05 pm

Board Members Present: Mark Lucanic, Charles Whitefield, Amber Distasi, Leilani Fraser

Others Present: Michael Cavette, George Krakauer, Peter Smith

Community Expression:

Downtown Park:

1. Discussion to explore the idea of consolidating the maintenance and manager positions into a single position.  
 Mark wants the Board to consider this as a long-term goal to reduce cost and have one person take on the majority of the work. Something to consider for future budgeting. Discussed increase to current staff schedule. Will discuss at next meeting in closed session.
2. Review Michael's schedule for park maintenance. Michael reviewed his schedule. Note: new woodchips are needed at downtown park. Michael would like to propose the purchase of a wheeled self-propelled string trimmer (Sarlo) for \$1400. Michael to bring a proposal for vote at next meeting. Michael would also like to purchase a weeding torch, approved.
3. Status of new hand blower in Men's restroom. It is in, Michael needs to install.

Mesa Park:

1. Status of remaining signage (Skate park signage, handicap signage, no overnight parking, no fires, no illegal dumping). Signs are up, 2 more handicap are needed.
2. Skate park follow up items – concrete clean up, planting of grass seed & plants. Landscape plan? Don't have a landscape plan yet, some plants are coming in.
3. Snack shack renovation update. Pending Toby next meeting.
4. Status of clean out and removal of trailer. Lots of debris was thrown out. Michael would like to have all Mesa Park equipment in a separate bin from the baseball equipment and keep the trailer and just repair the roof. Note: Mark was asking about chalk dropping machine, we need to find it or purchase a new one.
5. Mesa Park cape weed removal status? Michael has been working on it, and Michael seeded and fertilized so the yellow spot has been removed.
6. Discussion on possible projects including basketball court re-asphalt, fencing, picnic tables / shade structure, walking motorbike path. Amber will work on Measure A work plan with these items, need quotes to move forward. Amber reviewed Measure A requirements. Discussed grant options.
7. Sewer hook up fee follow up. Just a matter of getting clarification from BPUD and revising the agreement.

8. New mower status. It was purchased, someone is in line to take the old equipment and create room in the trailer.
9. Fire District request to use Mesa Park for Fire Chief's retirement. Proposed for July 6 from 1-4pm or 2-5 pm. Invitation only for first hour, then open to the public. Would like to set up on the soccer field with party tent and will have food trucks on their property. Mark would like them to use the back baseball field instead, Mesa Park will mow it prior and remove the berms (the berms need to be removed prior to 4<sup>th</sup> of July anyway). Michael to doublecheck on insurance. Amber motions, Mark seconds to approve the use of the back field for the party. (All approved 4-0).

Treasurer's Report:

1. Mesa Park: \$21,339.58  
 Friends of Mesa Park: \$1,241.97  
 Sewer reserve account: \$2,000.93  
 Total = \$24,582.48

Old News:

Other:

1. Board completion of Ethics training. In progress.
2. Septic system issues at Mesa Park – increased usage is requiring more pumping than was needed in the past.
3. Discussed switching off power to the outlets at Mesa Park after a certain time.

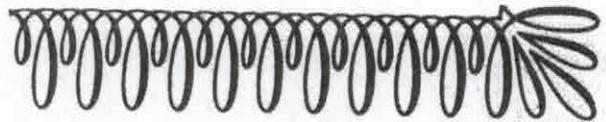

Approve Warrants: Mark motions, Amber seconds (4-0) approved.

TOTAL Warrants: \$5,185.73

Approve Minutes from last meeting:  
 Amber motions, Mark seconds (4-0) approved.

Next Meeting: May 13, 2019

Meeting adjourned: 8:54 pm
