Developers will often attempt to mitigate the destruction of natural habitat saying “we will plant natives when we are finished building.” While planting natives is to be encouraged, it is no substitute for the deep disturbance and displacement of a working ecosystem in which the birds, mammals, insects and plants have evolved. We feel that a commitment to habitat preservation must also be integral to any plan for major changes in our community, such as the construction of new housing.

**Dear Community,**

I have been surprised by how many people have thanked me for the article I put in the Hearsay regarding Bolinas Community Land Trust and their dreams and plans to provide some housing in the area of Overlook / Aspen / Poplar Larch.

It is so heartening, in this divisive era, to hear so many people speak of supporting the greater good for others.

It also underscored for me, how many people read Bolinas Hearsay News and what a great service this publication is for our community.

BOLINAS MUSEUM 9TH ANNUAL BENEFIT 3rd of JULY COCKTAIL PARTY THIS YEAR HONORING RALPH CAMICCIA

Celebrate the eve of the 4th of July festivities at the 3rd of July Cocktail party, 5:30 to 7:30 in the museum's courtyard with lively jazz/blues by local favorite The Big Skin Trio, cocktails, hors d'oeuvres and happy people of all ages! This local tradition is a joyful way to start the holiday!

Each year this fundraising party honors a special guest who has been important to the community and the museum. This year the honored guest Ralph Camiccia who has served this community for decades in an almost astonishing number of capacities! He has been our Bolinas Fire Chief, President of the Rod and Boat Club, Chair of the citizen's committee to rebuild Terrace at Surfer's overlook, member of the fire department during the project for the new fire station and clinic. He was an active member of the Marin County Bolinas Lagoon Advisory Council since 1986 and currently is the Chair of the council’s new iteration, the Bolinas Lagoon Advisory Committee, working to keep local voices in the long struggle to protect Bolinas Lagoon. He was also President of the Board of Directors of Bolinas Museum. When the museum buildings came up for sale, they could have gone to outside interests. But then Director Dolores Richards had the daunting vision that the little museum should buy the buildings as permanent place in the community. Ralph was part of the core vanguard who drew in the supporters that made the dream a reality.

Ralph moved to Bolinas in 1971 as a young geologist still working for San Francisco State Geology department. His son Daniel was born in Bolinas. After Ralph and Daniel's mother passed he met a sparkly young woman who was working at the post office; she became Terry Camiccia. Terry grew up in Bolinas where her grandfather was Smiley who owned the Schooner Saloon for ten years. Terry knew nearly everyone in town, Ralph credits her for drawing him into community involvement. Today Ralph’s activities also include his “Ralph’s Rain Report.”

This annual benefit cocktail party draws a delightful mix of generations, community members and visitors. The hosts of this year’s party are Vera Louie, Roger Peacock and Kitty Okamura, with the support of lots of local volunteers.

BCPUD Board of Directors’ Response to County of
Marin Proposal re: Overnight Parking Zones in Bolinas

On June 28, 2018, the BCPUD Board of Directors held a
special meeting and, among other things, discussed the proposed
text of an advisory ballot measure to be placed on the November
2018 ballot concerning a County of Marin proposal to establish no
overnight parking zones on one side of Brighton and Park
Avenues, and resident-only overnight parking on the other sides of
those streets. At the conclusion of the meeting, the Board directed
staff to send an email to Supervisor Rodoni summarizing the
Board’s discussion and setting forth a counter-proposal on this
issue. In light of the strong public interest in this topic, the text of
the BCPUD’s email to Supervisor Rodoni is set forth below, and a
copy is posted on the BCPUD’s website at www.bcpud.org.

This morning the BCPUD Board held a special meeting to
consider proposed language for an advisory ballot measure for the
November 2018 election concerning overnight parking in
Bolinas. Specifically, the BCPUD Board considered language
which attempted to encapsulate the proposal set forth in your May
17, 2018 letter for the establishment of no-overnight parking zones
(11 pm – 5 am) on Brighton and Park Avenues on one side of the
street and resident permit parking zones on the other side of those
streets. I would be happy to talk about the meeting in detail with
you, but the highlights of it were as follows:

1. The BCPUD Board consensus is that the May 17th parking
proposal would not be supported by the community (and is
not supported by the BCPUD Board as drafted) for at least
the following reasons:

   a. Prohibiting all overnight parking on one side of
      Brighten and Park Avenues between 11 p.m.
      and 5 a.m. would severely and negatively impact
      homeowners, tenants and coastal visitors/guests of
      the homes on those streets as there is insufficient
      street parking there already for those folks due in
      part to the lack of off-street parking at many of
      those homes.

   b. Many Bolinas residents and coastal visitors
      patronage the Bolinas Community Center,
      Smiley’s Saloon and other downtown businesses
      on Wharf Road for events scheduled to run well
      after 11:00 p.m. and often need to park on
      Brighton Avenue, so completely prohibiting
      parking there between 11 p.m. and 5 a.m. (even if
      on one side of the street only) would be highly
      unpopular to residents/coastal visitors and
      damaging to downtown businesses;

   c. If enacted, the proposal likely would have the
      effect of moving long-term parkers to Wharf Road
      (because there are public facilities at the
downtown park), thereby simply shifting a
      problem to another area of downtown where
      residents face similar challenges due an even
      greater lack of off-street parking.

2. The Board formulated an alternative parking proposal that it
believes could be supported by a clear majority of the
community (of course the purpose is to place the proposal
on the ballot and find out) – here is a draft text of a ballot
measure expressing the Board’s proposal:

   “Shall the County of Marin enact an ordinance
   prohibiting parking between 2:00 a.m. and 6:00 a.m.
on Brighton Avenue, Park Avenue and Wharf Road in
downtown Bolinas, except for vehicles displaying a
resident parking permit?”

The BCPUD Board offers this language for your
consideration and the review of the various departments at the
County who would have responsibility to implement and enforce
such an ordinance. The Board believes this proposal addresses the
problems with the May 17th proposal described above, preserves
(and even enhances) public access to the coast (and the businesses
and residents serving them) consistent with the Coastal Act, and is
narrowly and simply tailored for ease of enforcement. We
recognize that the details as to how the resident parking permits
will be issued and administered would need to be carefully worked
out and the Board wishes to emphasize that the permit process
would need to include the ability of visitor-serving businesses and
homeowners (i.e., short-term rental businesses) and residents’
guests to obtain a temporary form of parking permit while in
Bolinas. Also, we want to underscore that the resident parking
permits would be available to all 94924 residents, not just
downtown residents. The Board further suggests that the permits
be in the form of a placard similar to the blue handicap parking
placard that is hung from a vehicle’s inside rear-view mirror so
that is easy for law enforcement to see and difficult to counterfeit.

Finally, the Board discussed the concern expressed by
some in town that regulating overnight parking in downtown
Bolinas might “move the problem to the Mesa”. This might
happen and if it does, we respectfully suggest that we then work
together to find a resolution if requested to by the
community. Note, however, that there are no public facilities on
the Mesa; the Board believes, but may be proved wrong, that the
public bathrooms downtown are a major reason why the long-term
parkers are there.

Please let us know your thoughts on the Board’s “counter
proposal” on downtown parking and next steps. We will post a
summary version of this email to you in the Hearsay News and on
Nextdoor tomorrow (Friday, June 28th) to inform the community
about the results of the Board’s special meeting today and the
BCPUD Board’s “counter proposal”. The Board’s goal is to have
advisory ballot measure language about downtown parking in
Bolinas agreed upon by the County and BCPUD Board in advance
of the July 18, 2018 regular Board meeting given the August 10th
deadline for the submission of ballot measures.

Dennis, thank you so much for continuing to devote so
much of your time, effort and resources to helping the Bolinas
community with this difficult problem. We really appreciate it and
look forward to your comments.

All the best,

Jennifer

Hardware Store Parking News

Dear Bolinas Neighbors and Friends,

We understand that parking can be a nightmare on weekends these days in Bolinas. But it’s even worse if you’re a business owner trying to keep people out of your few spots so actual customers can shop in your store.

We have tried to help people out when they need to do a quick errand in town on the weekends, but unfortunately, last weekend turned into a complete fiasco and this is not a one-time event. A local employee chose to leave their car right in front of our store all day, people doing their laundry parked there and there were many cars in our back lot and we had no idea to whom they belonged. One person from Oregon came to me and said that his friend told him we offer parking in our back lot. Really? Someone’s truck with a camper shell was there all day and we had to close it in because the owner hadn’t returned by 5. I have no idea whose that was. We had to chase down other parkers to remind them to leave by 5 pm. All this made it a very stressful day and difficult to do my actual job.

Because of all this, we will no longer be able to offer parking in our back lot and hope that people will try and respect that and also that parking in our front lot is for customers while they are shopping only. We are not able to accommodate your parties or sporting events with parking. Please don’t buy something and then assume you can stay in the front lot to do other errands unless you have permission and don’t plan on staying long.

I spoke with the sheriff about towing the car that was in our front lot all day and he said that we have to have lots of large Marin County No Parking signs that have specific ordinance numbers on them. Now I have to purchase those and hang them all over our fence, obscuring the lovely signs that were created for us by the Bolinas Summer Camp last year. I’m sorry that a few people have spoiled this asset for many, but there is just too much liability and stress involved with what started out as a couple of folks needing parking to go to church on Sunday. I suggest that anyone who is as frustrated as I am with the town parking write to Supervisor Rodoni and anyone else you can think of to create a local parking permit or some kind of solution to this terrible problem in our town.

2018 ELECTION NEWS! DEADLINES FOR
CANDIDACY AND FOR BALLOT
MEASURES! PLEASE READ!

The terms of three (3) BCPUD Directors expire
this year. If you would like to run for one of
these seats in the November 6, 2018 election, you
must declare your candidacy during the filing
period, which opens July 16, 2018 and closes
August 10, 2018. The appropriate forms are
available from the Registrar of Voters office at
the Civic Center (Room 121) and must be filed
there. If any of the three BCPUD Directors
whose terms are expiring at the end of November
decide that they do not want to run for another 4-
year term, the filing period for non-incumbents
only will be extended be several days (the
specific date is not yet available).

The last day to submit measures for placement on
the November ballot is August 10, 2018; the last
day to withdraw a measure from the ballot is
August 15, 2018. The last day to submit ballot
arguments is August 20, 2018 and the last day to
submit rebuttal arguments is August 27, 2018.
In each case, the pertinent documents must be
received by the County’s Election Office by 4:30
p.m. on the deadline date.

Questions? Call 499-6456, which is the phone
number for the County’s Registrar
of Voters office.
