National Audobon Society Says

Point Reyes National Seashore has recorded more species of birds than any other national park in the nation. The seashore, on the California coast just above San Francisco, hits all the requirements for a birdy park: great diversity of habitat that includes coastline, forest, wetland, and open fields; a jutting peninsula serving as a migrant trap; seawatch promontories and proximity to a big city (with lots of birders). Point Reyes perhaps isn't as famous as Yosemite or Zion, but to a birder, it's absolute heaven. 444 species of Birds

Birds rule. Kudos to Peter Warshall and ...
Mussel.

**ART, HISTORY & FREE
COURTYARD CONCERT
BOLINAS MUSEUM
SATURDAY, AUGUST 18**

The art of more than thirty coast Marin and Bay Area artists will be on display in the Bolinas Museum, opening at noon Saturday, August 18. Also enjoy a new history exhibit, view a grand new historic painting, and a free summer concert in the courtyard!

The Auction Preview Exhibition for the museum's 26th Annual Benefit Art Auction features high caliber work from renowned artists such as Jon Francis, Charlie Callahan, Mayumi Oda, Clare Rojas, Sean Thackrey and many others, along with special offers, all for the **lively benefit auction and party at the Peace Barn on September 8.**

In the history room, *The Parkin Family In Bolinas At The Turn Of The 20th Century* exhibit introduces the interesting family who, from 1888 until its destruction in the 1906 earthquake, owned The Flagstaff Inn, a big hotel in Bolinas that stood at the edge of the lagoon, across from today's Bolinas Museum. The exhibit presents historic photos and heirlooms that give a glimpse of the family, new technology, **Bolinas young people surfing in the early 1900s** and more.

The Flagstaff Inn was a gathering place often frequented by artists. **One of the most famous artists at the turn of the 20th century was Thaddeus Welch. He is represented in the museum's permanent collection gallery by a new acquisition,** thanks to Nick Monsma, who alerted museum staff that an important Welch painting was up at auction in North Carolina. The almost 5 foot wide 1915 painting is set at evening time on the east side of Bolinas Lagoon, long before there was a permanent road. Descendants of Spanish cattle from a local dairy wander the edge of the water and Bolinas ridge is luminous in the background. Jennifer Gately, museum director and Sally Robertson, chair of the museum's Collection Committee quickly called many friends of the museum who generously contributed to the winning bid that brought the painting back to Bolinas for everyone to enjoy.

At 4 PM, join us for a free concert in the museum's courtyard with Lesterjett Hopkins!

This is the latest *nom de plume* of Alex (Sandy) Glickman—composer, guitarist, producer and singer who also plays in the popular surf band "Sandy's" and lives in Bolinas. **Glickman marries classical and contemporary guitar improvisations into saturated dreamscapes perfect for a summer afternoon on the coast!**

The Auction Preview Exhibition will be on view during regular museum hours until 1 PM on Saturday September 8, the day of the big event that includes a cocktail party, lively auction and great after party at the Peace Barn.

Early Bird special ticket price through August 24 only.
\$100 Members ~ \$125 General tickets.

This is the most important fundraiser for the museum where entry to the exhibitions is always free!

Cobra Kai Season 1 (2018)

- Ralph Macchio
- William Zabka
- Tanner Buchanan
- Courtney Hennegler
- Mary Mouser
- Xolo Mariduena
- Randee Heller
- Martin Kove

Because the Karate Kid trilogy is one of my favorites of all time, I'm doing something a bit different, a 30 years later follow up to one heck of a rivalry, one both personal and professional. Cobra Kai was created by actors Ralph Macchio and William Zabka who reprise their roles as Daniel La Russo and Johnny Lawrence. All these years later, Daniel is successful but mourning the loss of his beloved Mr. Miyagi, (the late great, Pat Morita), while Johnny is lost and reeling from the devastating tournament loss. The series lets you know a lot more about Johnny, what makes him tick. Look for other original cast members to make an appearance such as Randee Heller as Daniel's mother, and Martin Kove as Sensei John Kreese. This series so far is just available on YouTube red. But there is season two coming next year. I hope it will make its way to network viewing.

PREPARE YOUR "GO" KITS!

Without a doubt we are living in the worst wildfire season yet in Northern California. It seems unreal that a fire storm would happen here in Bolinas, but it could. Just one careless campfire in Point Reyes National Seashore might do it.

On Saturday, October 19, 1991, I was staying in my house in the Rockridge section of Oakland. That morning was a sunny day. People were enjoying the weekend just walking in the neighborhood or stopping to chat at cafes and shops. Around 11am I was at the corner of College Avenue at Market Hall when I looked up towards the Oakland hills. What I saw was a small patch of black smoke rising above the hillside eucalyptus trees.

Within the next few hours the hillside smoke became the Oakland firestorm. It took home after home above Rockridge. Suddenly, midafternoon, it looked like the fire would be heading our way. Black smoke was everywhere around my house. I rushed inside. I had only a minute to decide what to take away with me before I had to leave in my car. I had no "Go kit." Luckily with a change in wind direction, the fire never reached lower Rockridge or my house. But it could have and I would have lost very personal items I wanted to save.

So I urge all my neighbors in Bolinas to prepare your Go Kits now. Keep in touch with each other via KWMMR or NextDoor. Register your cell phone numbers with Marin Alert. Here is what you need in your personal Go Kit:

¡PREPARE SUS KITS "GO"!

Sin lugar a dudas, vivimos en la peor temporada de incendios forestales del norte de California. Parece irreal que ocurriera una tormenta de fuego aquí en Bolinas, pero podría. Solo una hoguera descuidada en Point Reyes National Seashore podría hacerlo.

El sábado 19 de octubre de 1991, me estaba quedando en mi casa en la sección de Rockridge en Oakland. Esa mañana fue un día soleado. La gente estaba disfrutando el fin de semana simplemente caminando en el vecindario o deteniéndose para conversar en cafeterías y tiendas. Alrededor de las 11 am estaba en la esquina de College Avenue en Market Hall cuando miré hacia las colinas de Oakland. Lo que vi fue una pequeña mancha de humo negro que se alzaba sobre la ladera de los árboles de eucalyptus.

En las siguientes horas, el humo de la ladera se convirtió en la tormenta de Oakland. Se llevó a casa después de casa por encima de Rockridge. De repente, a media tarde, parecía que el fuego se dirigiría hacia nosotros. El humo negro estaba por todas partes alrededor de mi casa. Me apresuré a entrar. Solo tuve un minuto para decidir qué llevar conmigo antes de tener que irme en mi automóvil. No tenía un "GO kit". Afortunadamente con un cambio en la dirección del viento, el fuego nunca llegó a Rockridge o a mi casa. Pero podría haberlo hecho y habría perdido artículos muy personales que quería guardar.

Por lo tanto, insto a todos mis vecinos de Bolinas a que preparen sus Kits de Go ahora. Manténgase en contacto a través de KWMMR o NextDoor. Registre sus números de teléfono celular con Marin Alert. Esto es lo que necesita en su caja personal de Go:

WILDFIRE & EMERGENCY "GO KIT"

Put together an emergency supply kit in advance and keep it easily accessible. Plan to be away from your home for an extended period of time. Each person should have their own Go Kit. Backpacks work great for storing these items.

- Bandana, N95 respirator, goggles, leather gloves
- Water bottles and food
- Map marked with two evacuation routes (if possible)
- Prescription medications
- Change of clothing
- Extra eyeglasses or contact lenses
- Extra set of car keys, credit cards, cash
- First aid kit
- Flashlight and headlamp with spare batteries
- Battery-powered radio and extra batteries
- Copies of important docs (birth certificates, pass-ports, insurance policies, etc)
- Pet food and water, leashes, pet supplies and medications
- Spare chargers for cell phones, laptops, etc.
- Sanitation supplies

Items to take only if time allows:

- Easily carried valuables
- Family photos and other irreplaceable items
- Personal computer and digital information backups on hard drives and/or disks

WILDFIRE & EMERGENCY "GO KIT"

Prepare un "kit" (caja) de suministros de emergencia con anticipación y manténgalo fácilmente accesible. Planee estar lejos de su hogar por un período prolongado de tiempo. Cada persona debe tener su propio Kit de Go. Las mochilas funcionan muy bien para almacenar estos artículos

- Bandana, respirador N95, gafas, guantes de cuero
- Botellas de agua y comida
- Mapa marcado con dos rutas de evacuación (si es posible)
- Medicamentos recetados Anteojos
- Cambio de ropa
- o lentes de contacto • adicionales Juego de llaves adicionales, tarjetas de crédito, efectivo
- Kit de primeros auxilios
- Linterna y faro con baterías de repuesto
- Radio con pilas y baterías adicionales
- Copias de documentos importantes (partidas de nacimiento, pasaportes, pólizas de seguro, etc.)
- Alimentos y agua para mascotas, correas, suministros para mascotas y medicamentos
- Cargadores de repuesto para teléfonos celulares, computadoras portátiles, etc.
- Suministros de saneamiento

Artículos para tomar solo si el tiempo lo permite:

- Objetos de valor fácilmente transportados
- Fotos familiares y otros elementos irremplazables
- Copias de seguridad de computadoras personales y de información digital en discos duros y/ o discos

Thanks Bolinas!

Dear town of Bolinas. Thanks to everyone for coming to the screening of my short film, Ragman's Cave. We set up only 24 chairs and were quickly overwhelmed by how many people came out. It felt like people were hanging from the rafters. Someone said it was the most people they had ever seen at the community center. Hundreds I would guess. It was a trip down memory lane for me...with old friends, teachers and just about everyone else.

It was amazing to see all the faces from my childhood. Thanks to Samira who made homemade hummus and donated chicken. Kate Ross for arranging the evening, my mom for insisting I do the screening, my little brother Sasha for helping set up and for the whole town for showing coming out. Filmmaking is an unforgiving beast but times like that make it worthwhile and fun.

We raised a bunch of money to get a new projector and screen for the community center so we can keep showing movies!

Next step for me is to raise a budget to make the full length film. Wish me luck!

With a big smile,

Ole Schell

WHITE ELEPHANT SILENT AUCTION

There are many ways to participate in Labor Day, but the silent auction is one of those great win win opportunities. The Community Center wins when there are great items to sell, as that helps us support all the wonderful classes and events that happen at the BCC. The donor wins by passing on some artifact that need to be released back to the community. Something way-to-nice to throw away, but for whatever reason (too full of memories or not enough time for your own garage sale) something you don't want to sell.

The white elephant is a reminder of Ganesha, the Hindu deity that has an elephant head, and multiple arms. Ganesha is the remover of obstacles. So if your stuff is weighing you down, bring the beautiful, useful, desirable items to the Community Center. We'll do our best to find someone who will love it.

P.S. Your donations are tax deductible, we'll be happy to give you a receipt.
