You'll learn more in the local press about the 2011 theme as we near the event. Let us know if you wish to host a table, and we'll give you the instructions.

As is the tradition, there will be a sale of small gifts: jewelry, small decorative items, scarves, and such in keeping with the mystery theme!

The dreaded Willow, critic 'terrible,' is coming to Albert's restaurant. Disaster ensues—until Albert concocts a diabolical plan. T.C. Boyle ("an explosively gifted satirist"—N.Y. **END:CIV - THE MOVIE
BOLINAS COMMUNITY CENTER
TUESDAY - FEBRUARY 28 - 7:30PM**

If your homeland was invaded by aliens who cut down the forests, poisoned the water and air, and contaminated the food supply, would you resist?

The causes underlying the collapse of civilizations are usually traced to overuse of resources. As we write this, the world is reeling from economic chaos, peak oil, climate change, environmental degradation, and political turmoil. Every day, the headlines re-hash stories of scandal and betrayal of the public trust. We don't have to make outraged demands for the end of the current global system - it seems to be coming apart already. But acts of courage, compassion and altruism abound, even in the most damaged places. By documenting the resilience of the people hit hardest by war and repression, and the heroism of those coming forward to confront the crisis head-on, END:CIV illuminates a way out of this all-consuming madness and into a saner future. Backed by Jensen's narrative, the film calls on us to act as if we truly love this land. The film trips along at a brisk pace, using music.

THREE MORE GREAT THINGS ABOUT THIS PLACE...

- (1) The froth of daffodil blooms in Dogtown, on the left as you head up Route One.
- (2) Sage's (the band) CD release party last Friday at the Red Devil Lounge.
- (3) The Chieftains, now in their 50th year of providing definitive Irish traditional music. They were at Davies auditorium last Tuesday and put on a great show.

**MONDAY MEETING REPORT & MONTHLY
RECAP FOR 2/27/12**

From Jenniepfeiffer

FEBRUARY IS ALWAYS A FLY BY MONTH, A SHORTER MONTH TO START WITH, then with work and school days off, lots of birthdays, Valentine's, Academy Awards requiring last minute movie viewing, Mardi Gras, and this year's early spring, we're already almost through it. We do have one extra day, this being a leap year, so Wednesday night will be a big Leap Year Party at the bar, with Midnight on the Water playing, and free cake because this is the regular last Wednesday of the month birthday night with cake available compliments of Don Dean. I remember Leap Year Day was "Sadie Hawkins' Day" in the comic strip LI'L ABNER, and that meant the women could grab a guy to marry, or at least to take on a date. Times being what they are today, it isn't required to wait for Leap Year for gals to take the initiative, but if you're a woman who's been waiting for the right opportunity, select a date and come on down to Smiley's Wednesday.

There was a lot of action in the city this weekend, with no need to wait for a date to put your party shoes on and go out stepping. Friday night THE BAND SAGE, had a long awaited release of their second CD, SWEETMELODY at the Red Devil Lounge on Polk at Clay. I've not been there before, so it was a new slice of life for Ned and me. We were given the special VIP treatment, so had fun taking it all in from our VIP seats up above the stage. This album will soon be available at Uniquities in the "Local Music Connection" section.

Saturday was Ron Garrigues' retrospective "From Beginning to End" opening at Varnish Fine Art Gallery in San Francisco. The place was packed with well wishers and art collectors and Bolinas was very well represented, cleaned up and almost as polished as the finely worked bronze sculptures in Ron's "Man and Beast" series featuring many skulls, phalluses, vaginas, and babies. Before the "Beast" was the "Big Bang" with explosions on scratch board, and after the "Beast" Ron gave us a look at overpopulation, with ink on hand made paper mounted on silk, depicting the next billion collisions of sperm and eggs, leading to ecological disasters, starvation, wars, and eventual extinction. It's excellent work on an imperative topic, designed to shake the viewer out of the comfort zone, into action. Unless it's already too late, in which case, go ahead and enjoy your kids and grandkids. This evocative show will be up through March 31st so you have time to get there if you missed the opening.

No meetings last week, but today at 3:00 there is a Transportation meeting in Pt. Reyes at the Dance Palace, and tonight is a Fire Board meeting that has an action item on the agenda to approve Verizon's request to add a microwave dish to existing Crown /castle tower.

Tomorrow night's movie at the Community Center about the over use of resources, that Brett Docherty is promoting, fits right in with Ron's concerns and sounds like an important film to catch. It's the same night as the regular Tuesday night Pirate Pizza night. Sustainable pizza and a movie sound good.

So, time to pay attention and Press on Regardless. jp

UPDATE ON the SPRING SECOND SUNDAY SALE

The Second Sunday Sale, scheduled to start in March is going to be delayed until the third Sunday due to a conflict. So you have an extra week to get your items together to sell. It will be on St. Patrick's weekend, on the 18th of March. Marcella will be there with her delectable comestibles, and we're aiming to have spring garden starts and seeds and whatever you have to offer. Call Uniquities at 8886, or Jennieffeffer and 0144 to get more information.
