WOULD YOU LIKE TO HELP PREPARE THE COMMUNITY CENTER FOR THANKSGIVING?

We will meet on Thanksgiving morning at 11am and decorate the room, set the tables, cook food in the kitchen. We need good cooks, prep cooks etc.

Could someone donate flowers? We also need kinling, and firewood.

When the evening is over, we need help in the kitchen, people who can stay up late.

The kitchen has to be pristine for the next day.

TURKEY COOKS NEEDED

We are still looking for turkey cooks for our Community Thanksgiving Dinner. We provide the turkey, you pick it up at the General Store, and bake it using your favorite stuffing recipe, then bring it to the Community Center on Thanksgiving afternoon, about 5pm.

At 6pm, we will start our festive dinner.

Does anyone know how to prepare a delicious, beautiful looking vegetarian center-of-table dish?

Everyone over 12 years, please bring a potluck dish for 6-8 people.

Bring your own wine, we will have water, juice, tea and coffee.

If you would like to help, please call Iika Hartmann (-0419).

MEMORIES OF DENNIS BANKS

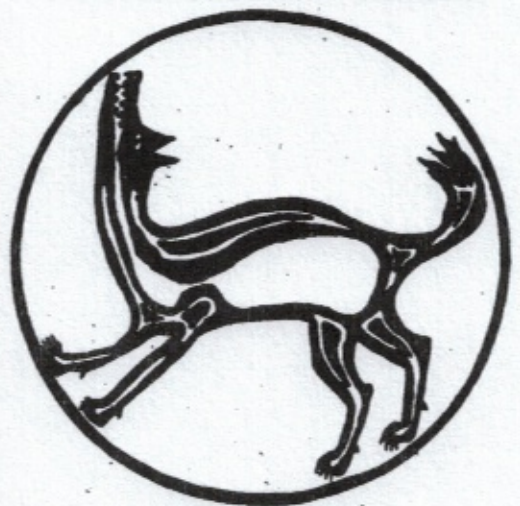

Remember when Dennis Banks came to Bolinas for the first time, in 1980? The town gave the Indians a joyous welcome with a small pow-wow for the kids at the school, and a feast at the Community Center. It was the beginning of many visits to Bolinas by Dennis and his AIM friends. Dennis died on October 30.

The poster is by Susan Sanders.

THREE GREAT THINGS ABOUT THIS PLACE...

- So many evening household gatherings presenting talented people passing through town! The one I have in mind was at Hanford and Susan Woods' with Mimi Morton reading.
- A beer-tasting, followed by a craft-brew pub crawl over in Albany, at a brewer/EPA scientist friend's house. Who knew beer could be so complicated?
- Perfect mild rains to prepare the land for the winter storms to come.

P.S. ART REPORT: Molly Brown had an outstanding opening yesterday at Amanda Mann’s Salon, Uptown Bolinas on Wharf. Amazing art! I recommend taking some time to stop in and check it out. (Also, I had an outrageously uplifting foot treatment from Indigo while I was there, which helped my soccer tortured soles immensely! And she was very polite about not swooning or commenting about my fresh-from-soccer socks and not so fresh feet)

'DOLORES': THE MOVIE

Bolinas-Stinson School gauging interest on bond measure for facilities

By Anna Guth

The Bolinas-Stinson Union School District is gauging community interest in the possibility of a bond measure on next fall's ballot aimed at improving school facilities. The district sent out a four-question survey last month that invites participants to prioritize a list of facilities for improvements and provide more specific information in a blank space. The last proposed bond measure, from 2014, failed to meet the necessary 55 percent support, with 49.72 percent in favor, perhaps because the language was too broad, district superintendent John Carroll said. That measure would have generated \$9 million for modernizing outdated classrooms, restrooms and school facilities, renovating a multi-purpose room and improving instructional technology, health, safety and handicapped accessibility and the "quality of education with funding that cannot be taken by the state." "Because there was a list of everything under the sun, I think people voted it down either because there was one item they may not have been in support of, or else because they didn't trust what we were going to do with the funds," Mr. Carroll said. This time around, the district would limit the measure to facilities improvements. Those might include renovating the multi-purpose room to create a gym or performance space, rebuilding the current art facilities and upgrading classrooms, but the district hopes the survey will help identify the community's interests. The board will consider the

'Dolores,' the movie is still playing in the Bay Area. If you can, go and see it. It's about Dolores Huerta, who founded the United Farmworkers Union (UFW) with Cesar Chavez. An idealistic, committed, energetic, joyous woman. 'Si Se Puede' (Yes, We Can) was coined by her and later adopted by Barak Obama.

The independent film was made by Peter Bratt, who was a child on Alcatraz, and funded by Santana, who promised his mother that he would do it. I have a few pictures towards the end of the movie.

Ilka Hartmann

results in early December and ultimately decide whether or not to go forward with a measure. Mr. Carroll noted that the district's parcel tax, which generates almost half a million each year from the \$300 paid per parcel, is up for renewal in 2020. The parcel tax helps maintain arts, physical education, music, foreign language and other programs, and its upcoming renewal could be a reason to forgo the bond measure so as not to overwhelm the community, he said. He also noted that Bolinas-Stinson, as a basic aid district, can hold onto any extra funds generated by property taxes for later use. This means that as an alternative to the bond measure, the board could consider putting some the parcel tax revenue aside each year to save up for facilities improvements. The district, with just 106 students this year, has an annual budget for the 2017-2018 school year of \$4,538,411. That means it has about four times the state's average of \$10,291 per student. "Our employees are some of the best paid in the county, we have small class sizes and also a large reserve, including one for special education," Mr. Carroll said.
