SOMETIMES WE ARE TOO SERIOUS!

Sometimes we think . . .but we don't feel what we think!

Sometimes we feel we know but the unknowable is unknown!

Sometimes we are captured by life and yet in nature we are free!

Sometimes we escape
from who we are and become some one new!

Sometimes we are strangers within ourselves not knowing how to meet who we've become!

Sometimes the burden is laid down!

Sometimes we need not to carry on this unknowing feeling!

Sometimes we are completely free, brand new and comprehending!

Sometimes it feels good to forget ourselves and smile! SOMETIMES!

Super Moon On December 3rd the Full Moon will approach Earth at a distance of 357,982.59 kilometers some 7% closer than the Moon's mean orbit distance of 384,400 Kilometers. The fact the Moon will be closer can make it appear larger and brighter than normal especially at the horizon.

THANK YOU! To everyone who helped us celebrate a wonderful Thanksgiving at the Community Center! If you left your stainless steel bowls, they will be on the windowsill of the Community Center kitchen.

THREE GREAT THINGS ABOUT THIS PLACE...

- The first shoots of new growth after autumn rains.
- Surviving Thanksgiving (last year I almost didn't).
- A classic 'flash of green' at sunset. What a great time of year for sunsets.

WHAT HAPPENED

11-27-17 Monday morning Week in Review
Recap from Jennie Pfeiffer, is still on hiatus, returning in full
form after 868+ Directory is printed.

Thanks to all those who got their 868+ Directory updates in to the Hearsay. Paste-up is now in progress and, hopefully, the new Directory will be available for the holidays. I will be making some calls to check listings and numbers that don't look quite right to me, so if you get a call, that's what it's about. I would love to know if the information we have is correct. If you have not notified me about your ad, I will be assuming you want to leave every old thing as is. If you want it pulled, I need to know pronto.

I hope everyone's thankful day was excellent. It was wonderful to be with so many friends and loved ones. We can be grateful for the rain and now some beautiful sun, and that there are no memorials coming up.

Art report: open studios were once more a great way to visit friends and see what's new. I didn't get to visit many, too many things going on, but loved what I saw. I recommend you check out Shayne Skower's photos at the Farm Stand Gallery. They are exquisite.

Politics in the larger world totally sucks, these days, but I love living here, where people care and can still be kind to each other, even when we might not agree. I'm avoiding Black Friday, cyber Monday, and the shop-til-you-drop experience, but am looking forward to keeping my dollars local through the remaining weeks of the year.

Press on regardless.
