**Taurids Meteor Shower** The Taurids are a minor shower and are believed to be composed of two shower streams. The southern Taurids stream can be seen as early as mid to late September and are active throughout November and can produce bright meteors and fireballs. The northern Taurids can be seen from October 12th to December 2nd, with this year's peak on Nov. 5th. The Taurids radiant point is their namesake constellation Taurus, the Bull. Orion's familiar three star belt is your guide to locate Taurus. Follow the belt upward and you find Taurus' brightest star Aldebaran in the mist of the "V" shaped Hyades star cluster.

Dear Community,  
 Our family that lived in Paradise lost their home in the recent Camp Fire. We are looking for some short-term housing for Mark's parents (Cheryl and Les) to rent over the next couple of months in Bolinas or surrounding area, so that we can keep them close by as we support them during this difficult time.

Thank you!

**WHAT HAPPENED**

**11-12-18 Monday Morning Recap**  
 Week-in-Review from Jennie Pfeiffer Riley

Having a bad air day. Bad air, of course, is not as horrifying as what the refugees of the fires burning to the north and the south of us are experiencing. It's heart wrenching -- sending love and invitations for places to stay to those victims.

What happened last week was elections! Some excellent outcomes in Congress nationally and around our state, as the Blue Wave flipped the House in an inspiring inclusion of many here-to-fore excluded cultural minorities. Many women, many people of color, many "firsts", including First Nation and Muslim women, were moved from the margins on to the main page of lawmaking discourse, as we start to see a more balanced inclusion of representatives of our diverse nation. There were some big disappointments -- Beto O'Rourke in Texas was one for sure, and Heidi Heitkamp in N. Dakota, and Claire McCaskill of Missouri -- but there are some exciting recounts happening in Florida, Mississippi, and Georgia, so it's not over yet. X passed, but with a slim margin, so clearly there's more work to be done to address some of the issues that came up around vehicle habitation. I'm sure those will continue.

On a personal level, I would like to thank everyone who turned out to show support for my bid for reelection to our school Board. I'm looking forward to serving another four years on the Board of Trustees of the Bolinas-Stinson Union School District. Communication is critically important in the process of improving governance, and is at the top of my list of ways to continue to improve our excellent school, so I look forward to hearing ideas and concerns from students, their families, and community members. As always, more input leads to more options, and more options give more choices and better decisions. I'm looking forward to listening to your thoughts. Thanks again. Jp

**Praying for Rain**

Plunged far beyond the lap of necessity  
 Plying our nimble souls  
 Through marshes and dulcet streams  
 Of perhaps liquid musics  
 Our wing like arms  
 Supplicate for sweet  
 Life enhancing rain  
 May it soften our lands  
 And engorge our streams  
 With brimming life fluids  
 Quenching the inferno like  
 Fires that rage upon us.....

We arewhelmed  
 And deeply implicated  
 We are singing for  
 The bison herds of water beings  
 To bring us sweet succor

**UPDATE ON 868+ DIRECTORY**

Additions and corrections have been slow coming in, and it doesn't make sense to go through the time and costs of putting out a corrected version of the Directory if it's not correct, so I will do as much as I can with what I've got, but will wait to do final printing until after the Winter Faire so I can get more of your updated information at that time. If you thought you were too late, you have more time. You can still get additions to me for individual and business listings: call and leave a message at 415-868-0144, or email [jenniepfeifferR@gmail.com](mailto:jenniepfeifferR@gmail.com) (SOON PLEASE.)

It's good to include an address, and if you've lost your landline and 868 number, please use a cell number if you have one and would like to continue to be included. Also, I'm looking for photos of lost loved ones -- human or pets. Thanks, Jennie Pfeiffer.

THREE GREAT THINGS ABOUT THIS PLACE...

- The upcoming local authors night, tomorrow at the Library. I've read Nicole's book and it's great and I'm sure Marlee Grace is equally talented.
- At least we have one part of the Federal government back, and some breathing space while we try to put together a polity again.
- We're into the season of long dark evenings—a chance to play music or do some serious reading. Or party with friends.
