PIRATES OF PENZANCE—SING ALONG Saturday, March 24, 8 PM

Tickets: \$34, \$32 seniors, \$17 teens
Lamplighters Music Theatre was founded in 1952 to produce the comic operas of librettist W.S. Gilbert and composer Arthur Sullivan, and is now recognized as one of the world's pre-eminent Gilbert & Sullivan companies. The Lamplighters' repertoire includes all the surviving works of these creative geniuses, as well as a select group of operas and musicals by other composers that exemplify their artistic visions. The hallmarks of a Lamplighters production are lavish costumes and sets, live orchestra, excellent comic acting, and gorgeous unamplified singing that showcases the beauty and purity of the human voice. This show will feature an 11-piece orchestra and supertitles for easy sing along. Bring your own eye patch, matey!

guitar style—a syncopated flamenco- and jazz-infused approach in which bass, harmony, and melodic lines emanate from the fretboard in one slap-happy storm. If that weren't enough, Midón busts out his improvisational mouth horn technique, in which he creates a bebop "trumpet" solo entirely with his lips, earning himself a spontaneous burst of mid-song applause from the audience in the process. It's a virtuosic performance, and one that reveals what has made Midón such an exciting artist to watch over the past few years. "One of those rare musical forces that reminds how strong and deep the connection between man and music can sometimes be."—Guitar Player

The Bolinas-Stinson Union School District Board of Trustees has authorized the formation of an ad hoc committee to examine the potential facilities needs of the District in light of a recommendation from the administration to consider expanding our current K-8 configuration to a pre-school -8 configuration. Follows is the charge for this committee as approved by the Board of Trustees. Parents and members of our community are invited to apply to serve on the committee, which will meet and develop recommendations for the Board over the next two months. Those interested should complete the application for membership and return to Superintendent Larry Enos. Applications are due in the district office at: 125 Olema Bolinas Road, Bolinas, CA 94924 or via email to johannas@bolinas-stinson.org no later than 3PM on Monday, March 26, 2012.

The magazine *THE NEW YORKER* wrote in its editorial section "Talk of the Town" 3/12/2012

"The twenty-first century began with a fraudulent presidential election" in the United States.

That is consistent with distinguished retired Justice Stevens who wrote in his recently published memoir that the application by the lawyers for the winner to stop a recount of Florida votes was "frivolous," utterly without legal basis

As far as is known no other medium reported The New Yorker's charge. Neither Congress nor any agency is looking into it 300 million of us who were led into a fraudulently justified war by the Chief thus brought into power deserve better sources of news about such matters and braver response by our leaders.

Bolinas-Stinson Union School District Ad Hoc Facilities Needs Committee

The school board has received a recommendation from school administration to expand its mission to encompass PreK-8 by providing facilities for preschool and including preschool in our educational program. The Board of Trustees has authorized the formation of an ad hoc committee to review the facilities needed for the Bolinas-Stinson Union School District to implement the recommendation. Its purpose is to evaluate facilities and recommend any modifications or additions needed to school buildings and grounds. The committee will meet as often as necessary to develop recommendations for the Board regarding current and future facilities based upon enrollment and educational program needs.

Committee Composition:

- 1 administrator
- 2 certificated staff members
- 1 classified staff members
- 2 parents
- 1 community members at large
- 1 Board member

Committee Charge

The Facilities Needs Committee will be charged with the following:

- Work with a facilities consultant to develop a District facility needs list related to the administration's recommendation to include preschool in BSUSD's educational program.
- Solicit input and feedback from the broader school community about any proposed modifications to buildings and grounds.
- Incorporate information from an exploratory feasibility study regarding possible general obligation bond funding for recommended facilities projects

Timeline

The Facilities Needs Committee, an ad hoc committee, will meet as often as necessary in order to provide the Board with a report and recommendation at a special meeting on 5/17/2012. If necessary, the Board will authorize expenditure of funds to contract for the services of a facilities consultant with expertise in the area of facilities assessment and planning. The committee will provide the board with a proposal for use of a consultant, including cost and scope of work, for their consideration and approval. The Board will receive the committee's recommendation with the intention of taking action to implement all or part of it at their regular meeting of 6/05/2012.

Bolinas Community Center Board Meeting – February 21, 2011

Directors and staff present: Randi Arnold - *Development Director*, StuArt Chapman - *President*, Mirta Guzman, Lia Kourula - *General Manager*, Serita Lewis, Eleanor Lyman - *Vice President*, Jeff Manson, June McAdams - *Secretary*, Jennie Pfeiffer, Maitreya Rose, Susie Stewart, Steve Wrenn, Vanessa Waring.

Visitors: Kathleen O'Neill - *Scribe*

10:10 a.m. meeting called to order.

Minutes for the January meeting approved. Agenda amended.

President's report: A thank you to Lia for putting together the Valentine Day love songs and poetry open mic and pizza event. It was a lovely local evening.

Treasurer's report: Last corrections for the budget for 2012 are reviewed. We are still \$7,000 short of a balanced budget and will have to work very hard to overcome the shortage. It was voted on and passed as is. Everyone applauds the efforts of the finance committee. Don expressed appreciation for the format and clarity of the budget. The final financial figures from last year are in and we will soon publish those in an end of year report.

Randi will update the *Cultural Data Project* operated by The Pew Charitable Trusts. The *Cultural Data Project* is a powerful online management tool designed to strengthen arts and cultural organizations. It empowers researchers and advocates with information to make the case for arts and culture, and equips funders with data to plan and evaluate grant making activities more effectively.

Art & Garden: The date has been reset to the first weekend in May (May 4, 5 & 6) as Point Reyes is hosting a birding event the last weekend in April, and Keith Hansen our Gala Preview speaker will be presenting there as well. Lia will be mining the Point Reyes event for gems to add to our event. Stuart is organizing a bird parade and a show of plants grown in shoes. Kathleen volunteered to work on the poster. We talked about having bird songs and bird houses, and including bird organizations here in town. There is a discussion about items for the silent auction and our hope to get many certificates for vacations and services, also the possibilities of getting sponsors for the event. The next meeting is for A&G is March 8th at 4-6

Manager's report: Jon's birthday party was very delightful. Valentine's Day went well also.

In a couple of months the organization *No Place Like Home* will restart its homeless breakfast. It takes place at the center, with Reverend Bob of the Presbyterian Church hosting.

The mini freezer the Food Bank gave us stopped working and was returned. An electrical outlet was added for the new refrigerator we bought last year. The Bolinas People Store has agreed to the fee for their use of that refrigerator. The library water heater was fixed.

STUDY ON ANXIETY

I am a licensed acupuncturist and massage therapist practicing for the last 18 years. My practice is based not only in Traditional Chinese Medicine, but also in Mindfulness based work. I am interested in learning the differences in treatment efficacy with patients receiving one of three different treatment modalities.

I am offering a 5 session, 5 week plan for anyone who fits the criteria. I am at the Wellspring Center for Healing on Mondays, and in Mill Valley Tues. Thurs. and Fri. I am asking for \$20 per treatment and a solid commitment to finish the 5 week study.

If you are interested please call 415-838-0459. You can find out more about me at: www.wholeselfhealingacupunctureandmore.com

--Nina Vincent

The County announced it will be repairing Wharf Rd. and its service lines next summer.

Ed Pohleman has done a building inspection which will help understand the termite problem and also let us know what repairs might be coming up. The least dangerous termite method has been found and the company is willing to let us pay for the treatment over the next six months.

Julie Augustine has had to resign from the board, but will continue to be an associate member. Lia is working on bringing in new board members. Also we have gotten Carol Friedman to present a seminar on Board development on March 3rd at 10 am in the Library.

There is another discussion on ABC licenses and how best to use them to support the BCC and renters of the hall.

Lia is collecting info for the next newsletter, which she would like to have out before the membership dinner.

Maitreya: Announced her next event (more info to come), and asked that we move forward with the plaque for solar donors.

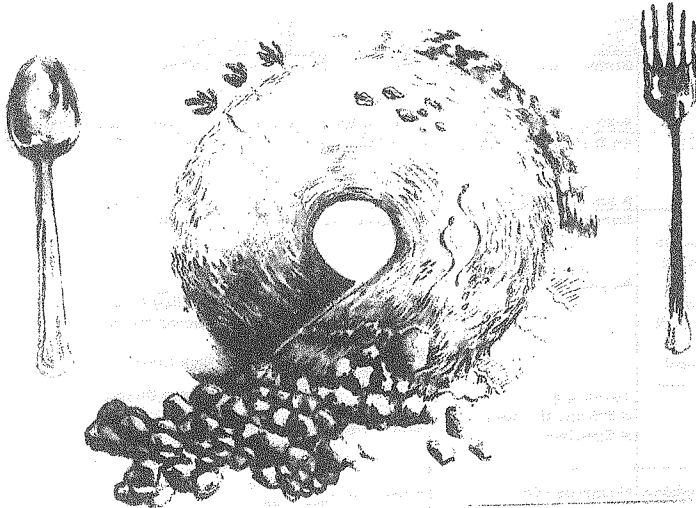

Serita: is hoping to hold a Food for Families first year thank you event for volunteers, donors and the community in the early summer. Food for Families started by providing free meals to families with new babies, expanded to include those recovering from illness and recently began working with Senior Services to provide seniors with prepared meals.

12:05 p.m. meeting adjourned.

Submitted by Kathleen O'Neill.

MONDAY MEETING REPORT 3/19/12

From Jennie Pfeiffer

IT WAS A WEEK OF MIGHTY WIND & RAIN, CAUSING THE CANCELLATION OF THE MONTHLY SUNDAY SALE ON THE SQUARE, with March "in like a lion out like a lamb". We will try again in April. Today is lovely, fresh and sunny.

The week ended with the annual "meeting" of the Bolinas Soccer "Club", that loosely formed disorganized organization that is made up of anyone who shows up at the field to play on Sunday's at 2:00 ish. It's been on-going since 1974, starting down at the school, moving to the firehouse field when that land was purchased in the late 70's. Talk started in the early 80's about some way to water the field in the dry months so it wasn't so treacherous with hard, dry gopher mounds and holes, and various attempts were made, but no good water source. Now that the Resource Recovery and Mesa Park have gotten together to get a well and pump water up to the Park, the field, newly rebuilt by the county, after the mountains of dirt were removed, was inaugurated yesterday with the St. Patrick's day soccer homecoming game. 20 a side, still no refs, it was a delight for old bones to be playing on a level field. Thanks to the Mesa park Board, for the shepherding of this project.

Saturday was the Community Center monthly meeting, firming up plans for this year's Art and Garden event to be held the weekend of Cinco de Mayo. Its a Bird Species theme, so start thinking of a costume to wear in the species parade.

Thursday was the monthly Whitecaps meeting, with Roger's corned beef and cabbage, and lots of potatoes in a variety of configurations. Perry Fly, Louie Likeover, Hawk, and Ned and I played some Irish tunes with StuArt giving a little back beat on spoons.

Tuesday's Green Team meeting at school brought in updates on bike business, ways to get to school that don't involve the auto, and transportation strategies with West Marin Groups making a plan to take to the County encouraging people to get out of their cars. It's a great area for walking, so much beauty to see. press on , jp

THREE MORE GREAT THINGS ABOUT THIS PLACE...

- (1) Virgil Shaw, playing music with his trademark intensity, virtuosity and quirkiness at Smiley's last Friday.
- (2) The spillway at Nicasio dam flowing freely last Thursday, showing that the dam is filled.
- (3) The annual soccer club St Patrick's party and homecoming game, with elections and awards ceremony, the game played this year on the new field.
