# GARDENING

by BARBARA PACE

planting days are here again  
that giddy time of year again  
get your asses all in gear again  
happy days are here again

MANY kinds of vegetable seeds  
can go directly into the ground  
now: peas, radishes, carrots,  
onions, cabbage, cauliflower,  
lettuce, broccoli. Don't waste  
time on things that like warm  
weather yet, like corn, squash,  
and tomatoes. They just won't  
grow. Wait another two or  
three weeks.

## EDITORIAL

### THE STATE OF THE GIANTS.

THE 1974 BASEBALL SEASON IS  
UNDERWAY, AND ALTHOUGH THE GIANTS  
HAVE A YOUNG, EXCITING, GOOD-HITTING  
TEAM, THEY WILL PLACE AT SEASON'S END  
NO BETTER THAN 4th. THIS IS DUE TO  
TWO HUGE FACTORS: MISERABLE  
PITCHING AND A STUPID MANAGER.  
CHARLIE FOR'S IDEA OF BASEBALL  
WOULD HAVE BEEN FINE DURING THE  
GREAT DEPRESSION, BUT NOW IT'S  
ARCHAIC. FIRE THE JERK! AS FOR  
THE PITCHING, IT WILL COMPLETELY  
DEMORALIZE OUR YOUNG TEAM WITH  
ITS INEFFECTUALITY. SORRY FOLKS,  
NOT MUCH NICE TO SAY ABOUT THE  
GIANTS. POSSIBLY YOU COULD TRY  
THE OTHER TEAM IN OAKLAND,  
HOWEVER, THEY HAVE PROBLEMS  
WITH THEIR IDIOT OWNER AND  
SOUTHERN PREACHER MANAGER.

# ENVIRONMENTAL IMPACT REPORT...

**ELECTRICITY** There exists a P.G. & E. line within 300 feet of Paradise Valley. This "convenience" will not be utilized. The decision was based upon a natural response to present trends of lethargic over-consumption of irreplaceable energy resources, uneconomical distribution systems and environmentally faulty methods of production. Mega-moxic, notwithstanding organizational miscreance and bureaucratic inefficiency, is secondary.

### Morning in Bolinas

Fog wears thin  
As the sun wades in  
Boisterous birds are in cedars  
Waterfowl drop in as feeders  
Breakers arrive  
at land's end all tore  
Tons of water  
collapse on our shore  
But above this rumble and crash  
Above the honk and the splash  
Above the chirp of the bird  
THE RATTLE OF CONSTRUCTION IS HEARD!  
For it's morning in Bolinas  
Hammers are pounding  
Sanders are grinding  
Chain saws are whining  
Rafters are bored  
Concrete is poured  
Roofs are set with skylight  
Walls have been raised overnight  
Rooms with extensions  
Shingles, pretensions  
Here a mushroom, there a dome  
Just a fantasy and maybe a home  
But whether a mansion  
or a simple cage  
Here construction is all the rage.

Meantime the cliff continues to drop --  
Soon the happy builders will stop.

-Herman Berlandt
