\* Some kids threw a rock at Greg Fontan from a fast-moving truck. The rock was bigger than his fist. Luckily, it missed. Greg said that he realized in a flash that he could easily have been killed. He would like to know who threw the rock, and why.

\* Lucy Rose told me that Dennis Kuyler's house got ripped off last week by professional thieves. I couldn't get hold of Dennis to ask what they took, but Lucy said it was a lot.

## Sports by Roy Buckman

(synopsis: Roy has been waiting all his life to watch Hank Aaron [w.t.v.] break Babe Ruth's homerun record. Friends are watching the game with him.)  
"Then it happened, the big wind that night put a stop to the PG&E coming into our abode at 6:05, and off the juice staged until the 5th inning. Naturally, by then Hank had hit the wonderful one, and even though it was shown over and over on instant replay, believe me, fans, it ain't not the same! In fact, it brought to mind that old expression about going to bed with your socks on."

## Belatch sports News:

Last Sunday saw your Bolinas baseball team "Hippies & Surfers" split a double-header with Stinson Beach, winning the second game 4 to 1... led by the pitching of Mountain Bob Anderson, Marvin "Tito" Weaver, Chef Greg Fontan, Re-pete Smith, Fred Jungle Crebassa, and Old Tod Smith, were the big sticks. Even Bobby Rufflefinger played errorless ball. No team!!!

The BCPD meets tonight at 8:00. The agenda shows at least 4 items of "WRITTEN CORRESPONDENCE" - concern 1) The Bolinas Park, 2) Emergency measures sewage, 3) Rockwell req. - sewage disp., and 4) K/c letters on sewer increase cost estimates/completion date. Other business includes a report on the prebid meeting for the New sewer, as well as regular Committee reports and consideration for approval of \$1929.62 in warrants.

\* MIRACLE CURE for Poison Oak  
Mark Maser's poison oak cleared up in two days (Not a week, as reported of rubbing brandy on it).

\* Betty & Gregory Hewlett were not kept awake by the sound of geese. Who told me that? They are also now warm and cozy at Paradise Valley, thanks to sleeping bags.

\* The Bolinas Grand Ole Opry will meet rehearsal Monday, April 29th, 8:00 at the Community Center. Any singer, soft shoe, comic routine eligible to enter. Must be Country!

\* Bill Brown showed me Paradise Valley's soil analysis. It has high fertility, but a low pH. The lab recommends treatment with lime applied at the rate of 2.5 lbs/100 sq. ft. Bill wonders what the rest of the soil around Bolinas is like, and whether it would be good for growing cranberries.

\* "Tide Pool Life" needs 6 more Adult students. Class meets tonight, 7:30, AT The Bolinas School

\* BOTANISTS (AMATEUR AND PROFESSIONAL) who are interested in collecting for the flower show (May 4th & 5th at the Community Center) call Mark Ireland (868-0579) or Peter Warshall (0272).  
 Everyone is asked to save cans, bottles, etc. which the Flower Show will need to display the flowers in.

\* The sewing group meets this Thursday, April 26, from 1:00 to 3:00 to begin making pot-holders and dish towels. Everyone is welcome, and you don't have to be an expert sewer! There was a young bard from Bolinas who derided both rhyming and meters  
 He poo-pooed the sonnet  
 And spat on the couplet  
 "But limericks," he sneered, "are most heinous."  
 -O'Reilly Bourgeois
