BIDS for the New Sewer were opened this afternoon. A report is forthcoming tonight at the regular meeting, 8:00, at the PUB on ELAN. J. Silva will also do a fire water presentation, and the board will consider letting the Actor's Guild and the Daycare Center use the building.

HOW ARE TEACHERS HIRED? WHO DECIDES?

The Bolinas-Stinson School is looking to fill two teaching vacancies for next year. Right now, people out there are looking through - "screening" - without applications and trying to decide who to call in for interviews. They'd like some help with the whole process. If you're interested in helping to "screen" or have suggestions on the kinds of Teachers you want for your kids, call the school.

Adult Education

Eight people (including myself) are enrolled in "Tide Pool Life" an exciting and informative low-technical course in the biology of the sea - Tuesday Nights, 7:30, at the Bolinas School. The school wants to offer more adult classes like this, but would like to hear suggestions from you all first. What would you like to learn about? Can you teach something? Call the school.

HATS IN THE RING

LAST NIGHT AT FRANCIS STEWART'S HOUSE (ALONG WITH ABOUT 40 OTHER TOWNSFOLK) I met John Burton, Democratic candidate for Congress from our district, ate delicious pizza, drank some beer, and got politically informed. As of yet, THE HEARSAY NEWS has made no editorial choices for this year's election, but I must say I agree with most of what Mr. Burton said.

PRIVATE EYE

JOHN BORDUAC, INVESTIGATOR, has been around town the last couple of days, asking for information on the Business Relationship between Tony TARANTINO AND the Tacherras. He told me 1) that Tony had stopped the insurance he paid when the Tacherras got theirs and 2) that Tacherra's INSURANCE COMPANY DOESN'T WANT TO PAY THE FULL CLAIM, LOOKING TO PROVE that the Tacherras were not owners, only employees. I told him what I knew, and then AMY, my DAUGHTER, ASKED HIM A RIDDLE.

"What has four eyes and flows?"
"I don't know."
"The Mississippi River."
"That has five eyes."

THE TIME DRAWS NEAR,
WE MOUNT OUR FAING HORSES,
OUR ANCIENT PALMS AND
FLEETING SONGS WILL LIVE
THEIR DESTINIES.
WE SEE NO PERMANENCE
IN THIS HELL WHERE SHIPS
SAIL ON MORTAL LIQUIDS,
FOR THESE WATERS ALWAYS
GIVE BIRTH TO CHANGING WAVES,
OUR MIND'S MUTABLE THOUGHTS,
INCONGRUOUS TO OUR SPIRIT
IT IS THE LAND THAT HOLDS
ME STILL.

This dude will blow your mind... premier daredevil... after years of jumping over cars & trucks, enduring broken bones, wiping out motorcycles and freaking out audiences, Mr. Evel Knievel is for the jump of all time... 1/2 mile expanse of the Snake River canyon on a jet powered machine... frankly friends, it's gonna be all over for this beautiful laniac... too many high-stake variables, but Christ I hope not... dig his trip...
